

## BOBBY-OPTIC LED Mounting Profile

### Description

Introducing the BOBBY-OPTIC LED mounting profile system. The BOBBY-OPTIC is specifically designed for the Domus range of LED strip lighting. This aluminium mounting profile system incorporated extruded profile complete with a unique optical clear colour polycarbonate diffuser. The key features of the BOBBY-OPTIC is the ability to not only conceal the LED strip lighting but also keep the strip lighting linear. Also, the BOBBY-OPTIC keeps LEDs free from foreign objects and vapours which may damage the LEDs. The BOBBY-OPTIC comes into its own when light needs to be concentrated within a specific area, with the integration of a 30° optic distribution. The finishing of this product is a perfect complement to any area. Applications include under shelf lighting, office areas, kitchens and even wall washing.
