

NEO-13 Fixed LED Downlight

Description

Introducing the NEO-13 to the Domus range of LED down lights. The NEO-13 is the first in the line-up of single point COB LED down lights. Features include deep etched frame and glass diffuser with a satin white powder coated finish. Light is provided from a single point COB high performing LED with a perfectly matched 60° optical reflector. The reflector behaves in much the same way as a standard 50W halogen lamp does with the favourable scallop style illumination. Added benefits of an IP44 rating and fully mains dimmable LED driver makes this a perfect alternative to halogen and CFL style down lights.

Specification Features

Input Voltage: 240V AC
 Power (W): 13W
 IP rating (IP): 44*
 Lumens (lm): Warm White 3000K - 810lm
 White 5000K - 880lm
 LED type: EPISTAR COB
 CCT: 3000K - 5000K
 CRI: ≥80
 Beam angle (°): 60°
 Dimmable: Yes**
 Lifespan (hrs): 50,000hrs
 Cutout (∅): ∅90mm

* IP44 rating is from the underside of the down light once installed into the ceiling.

** Tested on the Domus dimmer series. May work on other but not tested.
