

BLOCK-WIDE Wall Light

Description

The BLOCK-WIDE, a surface mounted wide LED wall light that illuminates both upward and downward to create that subtle welcoming effect. The BLOCK-WIDE is also rated at IP54, giving you flexibility in indoor and outdoor applications.

BLOCK-WIDE is constructed from die-cast aluminium and includes a tempered glass lens. Behind these lens sits energy saving (2x) 6W SMD LED chips, that will provide you with a total of 1100 lumens (upward/downward) light output. The BLOCK-WIDE also comes complete with our Three Year Replacement Warranty for peace of mind.
