

BLOCK-MINI Wall Light

Description

The BLOCK-MINI, a surface mounted LED wall light that illuminates both upward and downward to create that subtle welcoming effect. The BLOCK-MINI is also rated at IP54, giving you flexibility in indoor and outdoor applications.

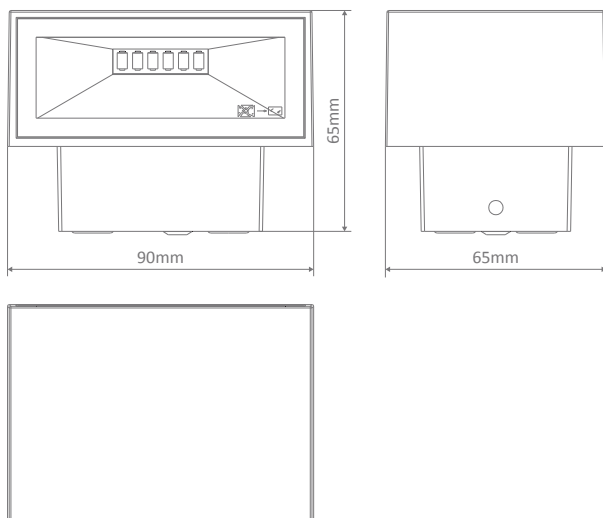

BLOCK-MINI is constructed from die-cast aluminium and includes a tempered glass lens. Behind this lens sits energy saving (2x) 3W SMD LED chips, that will provide you with a total of 550 lumens of (upward/downward) light output. The BLOCK-MINI also comes complete with our Three Year Replacement Warranty for peace of mind.
