

DISC-175

Exterior LED Ceiling Light

Description

The surface mounted DISC-175 features a polycarbonate body and opal diffuser with a decorative aluminium round trim. A special chromate process is applied to the aluminium trim before polyester powder-coating completes the finish. This helps to further protect the IP54 rated DISC-175 from harsh environments.

The DISC-175 features amazing illumination with minimal power consumption; a total of 9W of high intensity illumination with the ability of dimming using the EV-DIMMER (optional). Particularly useful in smaller locations, or in lieu of recessed downlights as an effective alternative.

Specification Features

Input Voltage:	240V AC
Power (W):	9W
IP rating (IP):	IP54
Frame finish:	Satin White, Silver
Lumens (lm):	Warm White 3000K - 900lm White 5000K - 950lm
LED type:	EDISON SMD LED
CCT:	3000K - 5000K
CRI:	≥83
Beam spread:	180°
Dimmable:	Yes*
Mounting type:	Surface-ceiling mounted
Lifespan (hrs):	40,000hrs

*Tested on the Domus EV-DIMMER (20505). May work on others but not tested.
