

Line-46

1.2M LED Linear Pendant

Description

Introducing the LINE-46 LED Linear Pendant. The LINE-46 wire-suspended Linear Pendant is one of the latest additions into the Domus range of linear pendants.

This pendant is available in 1200mm or 1700mm lengths and it features thick 2mm side walls with aluminium end caps. Finished in clear anodised, powder coated satin white or powder coated matt black finishes are available for that architectural look which is perfect for modern residential or commercial applications.

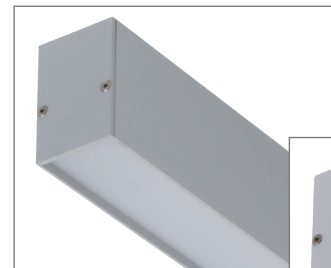

The LINE-46 linear pendant features a high transmission diffuser with the ability to have flush to the trim or set back depending on the application or look.
