

## LOFTUS LED Wall Light

### Description

The LOFTUS is a modern stylish IP65 slimline Wall light that is designed to be durable and weatherproof and offers a flush and compact solution to front facades or back patio areas where ambient lighting is required, as well as lighting sides of the house. Featuring a Black, White or Dark Grey powder coated Aluminium frame, with an opal diffuser to give a wide spread of light. Available with DUO, the added option of changing the colour temperature output of the Wall Light with a dip switch at the back of the fitting. Colour switchable from 3000K Warm White to 5000K White. Suitable for 240V wiring with a built in power supply. Backed by our 3 Year Replacement Warranty.
