

DEEP-90

Deepset LED Downlight

Description

Domus Lighting is pleased to announce the arrival of the Deep 90 range of LED downlights. The Deep-90 has been designed as a contemporary downlight suitable for applications such as residential housing, hotel and commercial projects.

Ultra slim outer trim and deep anti-glare baffle gives this fitting that architectural look. Tilt adjustable lamp adds to its flexibility. Utilising world leading SHARP COB LED technology and a mains dimmable LED driver gives this downlight unsurpassed performance not seen by others.
