

## Pocket Tilt

### Adjustable LED Recessed Downlight

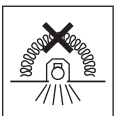

#### Description

The POCKET Series is a miniature downlight range that offers a great solution for cabinet lighting, and display lighting, or for applications where a wall wash effect is required. Features include fixed deep set frame or tilt frame, with the choice of a Black or Satin White powder coated finish. Different optic lens diffuser options allow for a 10°, 20° or 40° beam angle effect, and is perfectly matched with the single point COB high performing LED. Suitable for displays, cabinet lighting, and wall washing, or almost any application where discreet highlighting is required. Complete with a micro sized LED driver and flex and plug. Backed by our Three Year Replacement Warranty.
