

STAR-PD-300 LED Pendant

Description

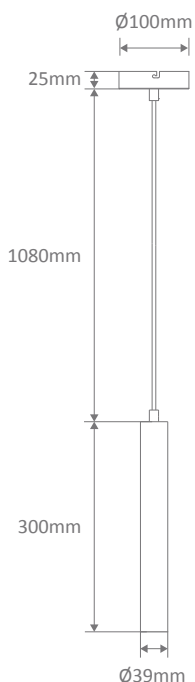

STAR series pendant range offers a very modern, thin and slim design that will suit most rooms and décor. Sizes available in the ultra-thin 39mm diameter tube option are 300mm and 500mm lengths. Also available in a more compact 58mm diameter option with a 180mm length. Available in black or white powder coated frame, with the choice of Warm White, Neutral White or White colour temperatures. Comes standard with 1 metre of cable. Most suitable as a breakfast bar light in kitchens, bedrooms, as well as restaurants and Cafes to achieve direct lighting without being overpowering to the room design.
