

In-Home Warranty

1320MM (52") DC CEILING FAN WITH REMOTE CONTROL - WITH OR WITHOUT LED LIGHT

The Wave DC ceiling fan features an energy efficient high performance long life DC motor that uses up to 70% less energy than a standard AC motor. The Wave also incorporates 3 ABS blades that will not rust, corrode or fade and are aero-dynamically designed for greater airflow.

- Energy efficient DC motor
- 5 speed DC remote control included
- Engineered for quiet operation
- Next generation ABS blades
- Fully reversible for summer and winter use
- Easy quick connect

Energy Efficient DC Motor

Indoor & Covered Outdoor Use

Hangsure Canopy 20° Degree
