

Edge

Edge 5000K

Martec's Edge shop fitter light has an ultra-high lumen output, which is perfect for high ceilings and work areas which require exceptionally high visibility. The Edge has the added benefit of being on a 60 degree gimble which allows for the light to light up almost any space. The sleek bevelled frame of the Edge is designed for a modern architectural look and feel, enabling the Edge to be incorporated into any environment.

FEATURES

- /// 3 Year replacement warranty
- /// Adjustable frame to 60 degrees
- /// Full aluminium construction
- /// Includes electronic driver
- /// Non dimmable
- /// Long life energy saving LED technology
