

# LED Dedicated Oyster Lights

Large terminal holes for easy connection

## PRODUCT FEATURES:

- Input voltage: 240V AC 50/60Hz
- Wattage: 14W, 20W & 28W
- Material: aluminium base & PC diffuser
- Life time: 30,000hrs
- Epistar 2835 LED chips
- CRI: >82
- Power factor: 0.9
- Beam angle: 120°
- Ambient temperature: -20 to 40°C
- Not suitable for dimming
- IP rating: IP44
- Can work with sensor, sensor not included
- **3 year replacement warranty**
